Launch of our new website and contacting school

To our #teamabbey families

We are delighted to reach out to our #teamabbey families with some exciting news! Our new website is now live, and we encourage you to explore it at www.abbeyschool.org. We have worked hard to ensure that it is easy to navigate and filled with valuable information about all things #teamabbey. We hope that you find it both informative and accessible, providing a clear insight into the wonderful activities and learning opportunities available for your children.

We would also like to take this opportunity to remind you that we are transitioning to SeeSaw as our platform for promoting individual class learning journeys. This means that we will be moving away from our previous system, X. Please note that the class pages will be removed, and you will now find only our @abbeylearning X account active. This change aims to streamline our communication and enhance your engagement with your child's progress.

If you have not yet signed up for SeeSaw, instructions can be found in the Family Handbook section of our website. For your convenience, please visit the following link:
<http://www.abbeyschool.org/page/?title=Our+Family+Handbook+and+FAQ%27s&pid=34>.

We genuinely appreciate your continued support and understanding as we embark on these exciting changes. We are confident that these improvements will greatly benefit our entire school community.

As part of our commitment to fostering a positive environment, we always promote kindness within our school. We expect this same courtesy when communicating with our staff.

If you need to contact your child's class teacher, please be assured that they will endeavour to return your email within 24 hours. However, if you require assistance before this timeframe has elapsed, please do not hesitate to ring the school reception at 01709 740074, who can direct your call accordingly.

In addition, we kindly remind you to ring the school to report your child's absence and follow the appropriate option for attendance before 9:00 am. For safeguarding concerns, our school's phone system has a designated option to connect you straight through to the safeguarding team.

Thank you once again for your ongoing support. We look forward to an exciting term ahead

Best wishes,

Mrs Windle and Mr Askham
