Modern World- Our Why?

At Abbey School, Modern World encompasses both Religious Education, local and national communities. Within Modern World, all of our pupils learn from and about religions, other cultures and languages to understand the world around them, fostering pupil's curiosity about their place in the world. Modern World lessons should be assessed in other areas of the curriculum focusing on our communication progress document. Please note that the Curriculum Map begins with L1 at the bottom of this document.
